

MAIN Invites YOU to Join the Leadership Team!

MAIN will elect a leadership team of 7 to 9 MAIN members. Leaders serve a two-year term. To be a leader, you must be a MAIN member for at least one year and be committed to MAIN's mission— to be a voice for people with low income on public policy issues. Leaders must be willing and able to dedicate 6 to 8 hours each month to this work. Working as a team allows us to:

- Share responsibilities so no one takes on more than they can handle,
- Learn or improve our leadership skill, and
- Support and encourage each other.

Leadership Team duties include:

- Representing MAIN in the media and before the Legislature and at other public events.
- Facilitating Monthly meetings.
- Doing the work necessary to keep MAIN functioning.
- Finding people affected by proposed legislation to share their experiences.
- Communicating with members.
- Fostering relationship with member organizations.
- Maintaining the banking account.
- Helping develop a yearly budget and fundraising plan.
- Meeting once a month, usually by conference call.
- Attending regular MAIN monthly meetings.

MAIN Leaders are reimbursed for travel and other necessary expenses.

If you want to be considered for the MAIN Leadership Team or have questions, **contact one of the MAIN leaders before Friday, OCTOBER 20th.**
